SAN JOSE STATE COLLEGE

Vol. 40. SAN JOSE, CALIF., TUESDAY, NOV. 13, 1951. No. 34

College Patrons to Hold Annual Group Dinner

Three hundred to 400 members of the San Jose State College Patrons' association are expected to attend the group's annual dinner Thursday evening, according to Mrs. H. E. Duffy, president.

The dinner will be held at 6:30 p.m. in the Women's gym.

Special feature of the evening will be Stanley C. Benz, dean of men, appearing in the role of magician. Dr. T. W. MacQuarrie, college president, will be the main speaker of the evening.

In accordance with a long-established custom, the program will include a short concert by the a capella choir, directed by William J. Erlendson, associate professor of music.

Members of Spartan Spears will assist in serving coffee. The dinner is a pot-luck affair, with arrangements made by table hostesses from among the association members, faculty women, and faculty wives.

Cost of the feed is 50 cents per person. Proceeds will be

CSTA Meet Is Scheduled For Thursday

A meeting of the California Student Teachers' association will be held Thursday afternoon at 3:30 o'clock in Room A-1, according to Ron LaMar, acting president of the group.

He emphasized that CSTA is for all students interested in the field of education, not merely elementary school trainees.

He added that the highlight of this week's program will be a visualized lecture presented by Mrs. Ruth Bradley, assistant professor of education.

The educational problems discussed at this meeting will be treated further at the CSTA annual convention to be held in Los Angeles, Dec. 7 and 8, LaMar said.

CSTA is the student branch of the California Teachers' association, statewide professional group.

Flu Vaccine To Be Given

Immunization against influenza will be offered to students and faculty Nov. 20 by the Health office, according to an announcement made Friday by Miss Margaret M. Twombly, director of the student health service.

A charge of 50 cents will be levied to cover the cost of vaccine. Immunization cards may be purchased at the Graduate Manager's office today extending until 12 p.m. Monday.

Students may be inoculated, at their convenience, between 9:30 a.m. and 3:45 p.m. Nov. 20 in the Health office, Room 34, Miss Twombly emphasized.

Those persons with marked allergies, asthmatics, women who are pregnant, and anyone who has had active tuberculosis, are advised not to take this immunization.

The single dose of vaccine, given hypodermically, becomes effective in two weeks and should persist for approximately three months, Miss Twombly stated.

Candidates' Test

All candidates for general secondary credentials and M.A. degrees must take a general culture test on Dec. 8, Executive Dean James C. DeVoss announced Friday.

DR. STANLEY BENZ
... A Magician's Role

used to offer financial assistance to students in need.

Monetary aid is given by the group in two ways: Through an emergency fund from which students may borrow in case of necessity, and through individual scholarships.

DeVoss, Sweeney Will Attend Confab

Dr. James C. DeVoss, executive dean, and Dr. William G. Sweeney, head of the Education department, will attend the California Council on Teacher Education conference at Asilomar Thursday through Saturday, Dean DeVoss announced Friday.

The purpose of the conference, Dean DeVoss said, is to discuss problems in teacher education.

An important topic of discussion will be the many revisions in state regulation of teacher training, he added.

Court Calls for Contest In Frosh Class Election

New Legislation Eases Car Curbs For Disabled Vets

A recent act of Congress will allow eligible disabled veterans of World War II and those in the service on or before June 27, 1950, to apply for automobiles, according to R. H. Castro, officer in charge of the San Jose Regional Veterans Administration office.

Although the act became effective Oct. 20, Castro said that no payment can be made until Congress appropriates funds this January.

Veterans may submit their applications now and they will be kept on file in the regional office until the money is available.

If an application is approved, the V.A. is authorized to spend up to \$1600 for an automobile with special devices necessary for each vet, Castro stated.

Veterans must be eligible to receive compensation for the following service-connected disabilities before their cases will be considered:

1. Loss or permanent loss of use of one or both feet.
2. Loss or permanent loss of use of one or both hands.
3. Complete loss of sight in both eyes or permanent impairment of vision of both eyes to the degree as to constitute virtual blindness.

Formerly, only veterans who had lost, or lost use of, one or both legs at or above the ankle were entitled to automobiles, Castro said.

Ducats for Three Games Are Ready

Tickets now are available for the SJS-SC game, Nov. 17; the COP-SJS game, Nov. 23, and the Marquette-SJS benefit game on Nov. 30, according to the Graduate Manager's office.

Students with ASE cards may purchase ducats for the Santa Clara game for \$1, while the COP game is free, and tickets for the Marquette game are \$1.20.

Applications to Be Available For Candidates Next Week

A contest for every post is the goal set forth by Student Court for the election of freshman class officers on Friday, Nov. 30, B. J. Smith, senior justice on Student Court, announced Friday.

"The election procedure has been outlined by Student Court," she said, "with definite deadlines for applications and petitions being set."

Blue Valentine Counseling Is Still Available

Students who received blue cards but failed to keep their appointments with counselors should make another appointment as soon as possible, Mr. C. A. Quinley Jr., acting registrar, announced Friday.

Quinley emphasized that it is especially important for first quarter students who received blue cards to have an interview with counselors.

Liberal arts transfer students who received blue cards should see Dean J. C. Elder in Room 110. Technical students should report to Dr. H. F. Heath in Room 120. All other blue card recipients should make appointments in the Personnel office, Room 114.

Personnel office appointments for students whose last names begin with "I" through "M" are scheduled for today; "N" through "R" for tomorrow, and "S" through "Z" for Thursday.

Homecoming Group Meets

Homecoming representatives from all organizations will meet for presentation of final plans for Homecoming activities, in the Student Union at 3:30 p.m. today, according to Mary Braunstein, chairman.

Braunstein plans to brief representatives on time, location and order of procedure for the Homecoming parade.

Applications for freshman class officers, which include president, vice-president, secretary and treasurer, will be available next Monday in the ASB office, Miss Smith said. "Monday is the only day applications can be acquired," she warned.

Applications must be deposited in a box outside the ASB office in the Student Union by 1 p.m. Tuesday, Nov. 20, she continued.

Approved applicants may obtain their petitions Wednesday, Nov. 21, 9 a.m. to 5 p.m., from the Graduate Manager's office, she added. These petitions must be turned in by noon Monday, Nov. 26, in the Student Union.

"Although only 50 names are required on the petitions," Miss Smith said, "the Student Court is requesting all candidates to obtain 60 signatures in case some students who sign the petition are not members of the freshman class or do not have ASB cards."

The officers elected on Nov. 30 will take office immediately and will serve for the balance of the year.

Campus Drive Will Continue

Originally scheduled to end last Friday, the Campus Chest drive will continue until Nov. 16, according to Shirley Crandall, drive chairman. Extension of the drive was necessary because of the disappointing response of both students and organizations, Miss Crandall said.

Total collection figures were not available Friday, but at the end of three days less than \$300 had been given. Quota for the drive is \$7980, of which well over half has been contributed by faculty and staff of San Jose State college.

Four Campus Chest collection booths have been set-up on Washington Square. A solicitor stationed in one booth complained, "Getting contribution from some students is like pulling teeth."

Organizations that have pledged money to the drive may turn it in at the Graduate Manager's office. Organizations that have not yet pledged but would like to do so should contact Shirley Crandall.

WRIFC Members Conclude Meeting

Delegates to the Western Regional Inter-Fraternity conference concluded their last meeting Saturday with an election of next year's officers.

The San Jose State college Inter-Fraternity council was host for the annual three-day conference, which was attended by fraternity representatives from 11 Western states.

At the termination of the meeting a luncheon was held at the Prime Rib.

Last Thursday evening the delegates were entertained at Vahl's restaurant by the Delta Zeta "College Romance" group and a take-off on "David and Bathsheba," presented by Alpha Tau Omega.

—photo by Zimmerman

WINNERS IN THE WAA sponsored Swim club meet were the Devilfish team, according to Dr. Elizabeth Prange, adviser to the group. Shown in the picture above are a few of the 68 members of the Swim club. From left to right in the back row they are Phyllis Nye, Rae Scofield, Virginia Leigh, Carol Robin, unidentified, and Alicia Ench. In the front row from left to right are Pat Engerud, Carole Gervais, Deborah Andrus, Ann Younger, Barbara Crosley and Margaret Volz.

With three firsts in meet events, the Devilfish garnered enough points to win over four other competing teams, Dr. Prange said. A cup trophy was awarded to the team. Mary Ann Weisbrod, student manager, explained that WAA hopes to make the swim meet a quarterly event with the cup to be rotated to the winning team for each quarter.

Judges for the diving events were Dr. Prange,

Mrs. Helen Cooperider and Joan Speck. Among the student officials who assisted with the meet were Joan Harlan, Rae Scofield, Carolyn Neill, Shirley Schneider, Nina Teeslink, Barbara Crandall, Joan Chambers and Joyce Malone.

"All the work of the meet was performed by student leaders," said Dr. Prange, "and they did a fine job."

Other teams entered in the meet were Gamma Phi Beta, Sigma Kappa, Chi Omega, and another independent team. The swim meet is part of the Swim club's yearly program.

Dr. Prange said that this year's Swim club program is more extensive than in the past. The Annual Swim show has been replaced, she said, by the swim meet and other scheduled events.

Parkers Beware . . .

Today, we are going to lower an editorial boom onto the heads of a small—but irritating—segment of the student body.

It is bad enough that SJS has to look as if it is planted in the middle of a super-sized used car lot, without the students making it worse. For some reason, a few people like to park their cars so that they straddle the parking lines, thus taking up two spaces when they are only entitled to one! This is done either through neglect, carelessness or just plain orneryness.

Now we don't claim to be able to mentally adjust this segment of the student body—it's up to them. But the next time we come across this situation, the temptation to wire an atom bomb to the spark plugs of the offending vehicle, might just be too much! B.S.

Thrust and Parry

Need New Yells?

I read last week's column by ASB No. 671 on our rooting section. I agree that we need spirit, but the real need seems to point to one who can think up new and witty yells. One, too, who can direct them—simple yells. I get tired of "Hold That Line." (Sounds like a telephone operator.) Musical yells are what we need. And the males like them, too!

Take Army for example: They sing a spirited "Go Army-Fight Army," and came up with "Tzena Tzena" for spirit. Take USF and their version of "Good Night Irene" in the third period. Take Loyola's "Go Lions," based on Army's yell. USF's band does not do so bad with popular music—do all college bands have to follow stereotyped "long hair marches"? No, not at St. Mary's and their boogie woogie band!

Chant yells seem to be the trend, yet we do not have them! Before a game gets underway, it sounds great to hear a rooting section (full of spirit) chanting "Beat so and so, etc."

A yell based on Frankie Laine's version of "Mule Train" was turned in, but the chief cheer (?) leader did not accept it—so I'm told. It goes like this: Half of the rooting section chants at a fast tempo "Beat the Broncos," to the same rhythm as the beginning of "Mule Train." Where the Laine voice comes in with "Mule Train," the other half of the section sings "Spar-Tans." The chant continues and the voices come in with "Spar-Tans, Fight Fight!" Then, the chant comes to a gradual fade out.

I do not want to be a leader. This yell need not be used, but we do need something new!

Spartanly, ASB 1517.

Prof Studies Ancient Plant Life Evidence

Determination of the type of plant life which existed in old geological periods, through analysis of leaf impressions on shale, fossilized wood and "coal balls" is the exacting work now being done by Lyman H. Daugherty, professor of botany.

Paleobotanical specimens are sent to Mr. Daugherty from all over the world.

Included in his present study-collection are shale gathered during Admiral Byrd's second expedition to the Antarctic, brown coal from Germany and petrified wood from Zion national park.

Trees 18 inches in diameter formerly existed in the region of the South Pole, according to Mr. Daugherty. They flourished during the Permian period or about 200 million years ago.

Leaf impressions on fossils are so well preserved that flora of the Ordovician period (400 million years ago) can be observed with the eyes. Evidences of plant life of earlier ages than this can be confirmed only with the aid of a microscope.

Mr. Daugherty sends his findings to the Carnegie Institute. He has had several papers on paleobotany published.

Egypt Crisis To Be Feature Of IRC Meeting

A discussion of the Egyptian crisis, headed by two native Egyptians who are exchange students at Stanford, will highlight the meeting of the International Relations club in Room 106, at 7:30 o'clock tonight, according to Dr. George Bruntz, adviser.

Room 106 is the former Registrar's office.

Members of IRC will question the Egyptians and give their own views of the situation, Dr. Bruntz said. He added that all students are invited to attend this meeting, at which the election of officers will be held.

"We especially encourage freshmen and sophomores to attend and join the club," Dr. Bruntz said.

The discussion will be the second held this term by the IRC. The first concerned the Iranian crisis, at which two native Persians, now attending SJS, spoke.

Other plans outlined by the executive board of the IRC include a discussion of the North Atlantic pact at the meeting on Nov. 17. A panel, composed of Roger Over, James House and Richard Kriely, chairman, will discuss the issue then.

PKAs, DUs Headed for Title Game

Barring any unforeseen upsets, Pi Kappa Alpha, leaders of the inter-fraternity loop, and Delta Upsilon, king pins of the independent circuit, will meet for the intramural football crown two weeks from now.

Both possess unbeaten marks of five wins and no defeats after three weeks of intramural play. The PKAs have five tilts remaining, while only a single obstacle stands in the path of DU.

PKA faces one of those barriers today in Alpha Tau Omega, currently tied for second place in the IFL with four wins and one loss.

Today is the clincher for DU, who meet Chi Pi Sigma with a record of two triumphs and a like number of setbacks.

Other games will bring together Phi Sigma Kappa vs. Delta Sigma Phi in the IFL, and Tijuana AC vs. the Air Force Jets in the IL.

Intramural Standings Inter-Fraternity League

Rifle Team Meets Padre Shooters

San Jose State college's varsity rifle team meets the Padre club of Sunnyvale in a re-match tonight at the San Jose rifle range.

In the first meeting last Wednesday, the Padre squad, which placed runner-up in the Pacific Coast matches this year, edged the Spartan marksmen, 928 to 905.

High point honors went to Warren Winovich of the Spartans and Pedro Kuri, Padre shooter, with 189 totals in the first match.

Spartans Prep For S.C. Broncos

By ROY HURLBERT

Convinced the time has come for a top output, the Spartans started the second week of preparations yesterday for their clash with the Santa Clara Broncos Saturday night in Spartan stadium.

With one painful exception, the outlook for the crosstown feud is rosy for Bob Bronzan's team. The Spartans are comparatively ready in all departments except one. But what an exception!

Fullback Bob Sykes was operated on Friday for a shoulder separation and is out for the season. Counted-on as a first-stringer in place of ailing Frank Morriss, Sykes was hurt Thursday in a rough scrimmage session. Morriss, who was cracked on the head the same day, may not be available, either. He missed his second straight workout yesterday due to his miseries, which have disabled him since the Idaho game. Morriss hasn't put in a full week of practice since the Vandal trip.

Bronzan is filling the fullback gap with Juniors Bob Amaral, Dick Stultz and Matt Vujevich Amaral, number three behind Morriss and Sykes, has a tender

Coach Jim Wheelahan's junior varsity lost to Hartnell JC, 20-18, Saturday night in Salinas.

left knee and is wearing a brace. Stultz, transfer from Glendale, and Vujevich, defensive halfback from Sacramento, have but a wee bit of ball packing experience. Stultz turned in some fine running in Friday's Red versus White scrimmage, including a 99 yard touchdown gallop.

Veterans Bruce Halladay and Dick Bondellie were side by side

at their old linebacking posts yesterday after weeks on the inactive list. Bondellie, injured against Fresno State, returned Friday.

Halladay, hurt in the first USF game, resumed duties in yesterday's Red-White drills. Both are rusty from being on the sidelines, but they should be in the swing of things by Saturday.

Double-duty End Jerry Perich and Halfback Gibby Mendonsa were suited up yesterday and undoubtedly will face the Broncos. Perich wrenched his knee last week in practice. Mendonsa hurt his back against San Diego Navy.

Spartan Boxers Start Prepping For Tournaments

There's more than that old athletic odor in the air over in the Men's gym these days.

Boxing season is less than a month away. The boys, novice and veterans alike, are ready to go full blast with another campaign of ring thrills.

Things get rolling Dec. 5, 6, 7 and 8 with the Novice and Junior Tournaments set for the Spartan gym. Boys who survive these tests will vie for varsity berths in the All-College tournament the third week of winter quarter, Jan. 10 and 11.

Northland Movie, Talk Slated for Tomorrow

"Nanook of the North" will be the first fall quarter film presentation by the Audio Visual Service center, Dr. Richard Lewis, director of the center, disclosed Friday.

The movie will be shown tomorrow from 1:30-2:30 p.m. in the Morris Bailey auditorium and will be preceded by an introduction by Ed Levin, SJS graduate who has journeyed to

the Arctic with Father Hubbard, famed explorer.

This film series was initiated by President T. W. MacQuarrie in an effort to present "outstanding documentary, educational and industrial motion pictures" to students, according to Dr. Lewis.

"We will present only films of wide interest and high merit, when they are available," Dr. Lewis said.

Another program is scheduled for Dec. 5, to be followed by additional films in winter quarter.

"Nanook of the North" was produced by Robert Flaherty, pioneer in documentary motion pictures, in 1919, and concerns the daily lives of Indians in the Hudson Bay area.

"Students in sociology, anthropology, philosophy and science will find much valuable information in the film," Dr. Lewis remarked.

"All members of the audience will be amused and amazed at life in a part of the world where few people can survive and where man against nature is a relentless theme," he said.

Concerts Continue With Presentation Thursday Morning

Another concert in the series of 18th century music will be presented Thursday at 9:30 a.m., in Room M-108, according to Mr. Gibson Walters, associate professor of music.

Miss Frances Robinson and Mr. Walters will perform a Mozart duo concertante for violin and viola, Mr. Walters said.

Movements in the concertante are allegro, maestoso, adagio, andante and presto, said Mr. Walters.

Miss Robinson also will play Handel's "Viola Concerto."

Two piano students, Rachael Perez and Mary Fiore, performed a concert of 18th century music this morning.

Vocal music of the 18th century was sung by Arthur Huff and Joyce Buswell, students of Mr. Gus Lease and Miss Maurine Thompson, instructors in music.

Faculty Wives Plan Dinner

A pot-luck dinner planned by the Faculty Wives club will be held tonight at 7 o'clock in the Student Union, according to Mr. Lowell Pratt, SJS public relations director.

Several groups of faculty men will present humorous skits during an informal entertainment program, said Mrs. Pratt. Theodore Balgooyen, speech instructor, is in charge of the entertainment for the evening.

George E. Stone, associate professor of photography, will lead the group singing, and he will be accompanied by Mrs. Benjamin Spaulding at the piano.

Chairman for the affair is Mrs. Stanley C. Benz. Members of her committee are Mrs. Kenneth Roney, Mrs. Arthur Williams, Mrs. Theodore Balgooyen and Mrs. Lowell Pratt.

Employees Meet

There will be a meeting of Chapter 32 of the California State Employees association this afternoon at 3:30 o'clock in Room 127 of the Commerce department, according to Arthur Kelley, professor of commerce and president of the association.

The purpose of the session is to hear a report on the recent meeting of the State College committee.

Bill Fitzhugh To Represent SJS in Debate

Bill Fitzhugh, senior public relations major, will represent San Jose State college today in the first of a series of University Platform radio discussions to be held at St. Mary's college, according to Wilbur F. Luick, director of forensics.

The program will be transcribed and will be re-broadcast over radio station KCBS at 10:30 a.m. the following Sunday, Nov. 18.

The panel topic, "Is there an American code of morals?" is the first in a series of four discussions which will deal with the National Intercollegiate Discussion question, "How can we as a nation improve our moral and ethical code?"

Each University Platform question will be discussed in four phases. The entire series will last 26 weeks. Each week four Bay area schools, will participate, with a faculty moderator in charge.

San Jose State college, Stanford university, St. Mary's college and the University of California will participate today. The moderator will be Professor Michael Griffin, of the City College of San Francisco.

YMCA Chess Club Is Champ

Two faculty men and two students are members of the local YMCA Chess club, champions of the Central Valley Chess league, according to Lyman H. Daugherty, professor of botany.

They are Mr. Daugherty, Francis N. Crofut, instructor in watch-making, and students George Kirby and Howard Wood.

Matches are held about once a

month against chess clubs in cities throughout central and northern California.

Bilingualists Extraordinary
Language students at Columbia university this year have their choice of three new tongue twist-ers. In addition to such old favorites as Syriac (ancient Mesopotamia), Samoyed (Siberia) and Akkadian (ancient Babylon), Columbia is adding Avestan, the language of Zoroaster; Kurdish, spoken by the wandering Kurds of Turkey, Iraq and Iran; and Tagalog, a native language of the Philippines. Total languages now available at the New York institution is 50.

More Women's Colleges
There are 273 women's colleges, as opposed to 228 men's colleges.

CSTA: Meet tomorrow at 3:30 p.m. in Room A-1. Mrs. Ruth Bradley will talk on audio visual aids.
